

Admission Policies

- Flaming sword Daycare-ELC admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, scholarship and loan programs, and athletic and other school administered programs.
- Children will be admitted into the daycare as space is available. Once a class is filled, applications will be placed on a wait list until space is available

Curriculum

- We believe that first and foremost learning should be fun! After all, children learn the best through play. Each week, teachers implement a weekly thematic lesson plan that covers the five developmental domains and promotes basic skills (letters and letter recognition, number recognition and counting, large and fine motor skills, etc.). Our staff implements basic preschool skills to ensure those going into kindergarten will be fully ready and prepared.

Enrollment Process

During the enrollment process, we are here to assist you. We want to make this an easy transition for both the parents and the child. An initial meeting between the parents, child, and daycare director will be requested for us to obtain vital information on the child and to ensure that our staff will be able to accommodate any special developmental, physical, or health needs. Tours of the facility are available by appointment only and can be made during the initial meeting or by calling the daycare director. During the tour, an application will be given to you to complete and return as soon as possible. Applications are also available through our website. After the tour, if you wish to proceed in placing your child with us, the application/holding fee will be due. Completed applications will need to be turned in BEFORE your child's first day with us.

“Train up a child in the way he should go & when he is old, he will not depart from it.”
